

DIOGO BERNARDES

SOFTWARE DEVELOPER

ABOUT ME

As a Computer Engineering student who is about to graduate, I like to look for new challenges to expand my skills and knowledge, thus getting out of my comfort zone and growing personally and professionally.

I consider myself to be a flexible, resilient, determined and communicative person who enjoys working as part of a team.

I'm looking for a challenging position that promotes professional development and personal growth, where I can make a significant contribution and continue to learn actively.
